

Better Together

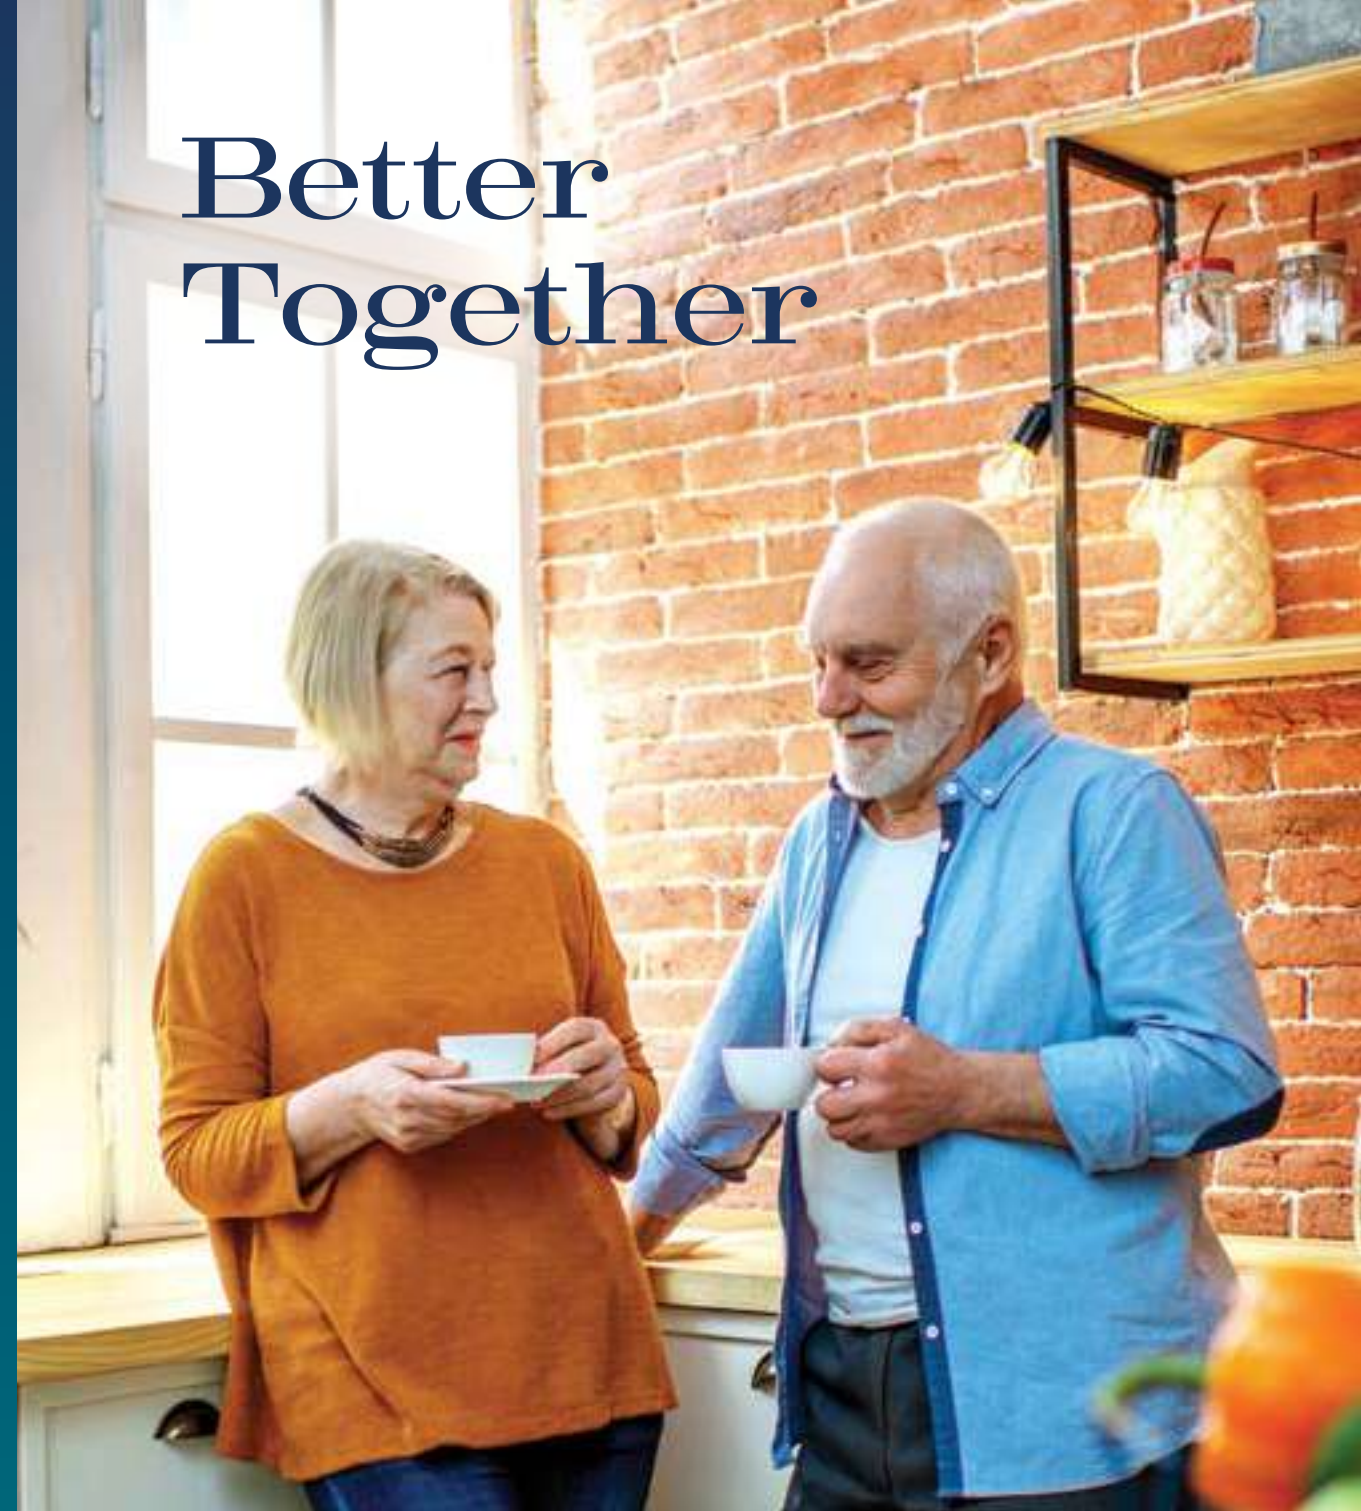

Somerby Mount Pleasant is a picturesque independent living, assisted living, and memory care community close to Charleston.

Our 19-acre wooded campus in a quiet neighborhood offers choices that few senior communities in this area can match, including an array of apartment and lifestyle options built to promote social connection and comfortable living.

We provide married couples with the options they want and the professional support they need, so they can continue to live together as the needs of one spouse changes.

We understand the commitment you made to your spouse on your wedding day is as meaningful today as it was then.

We recognize and support your desire to remain living together.

Our Commitment:

Enable couples to enjoy their time together while certified professionals tend to any healthcare needs

Offer peace of mind, allowing couples to stay together as the needs of one partner changes

Provide options, so that each spouse can stay healthy and active as possible doing the things they love

We Offer:

- 50% discount OFF the second-person fee for the spouse
- Various apartment sizes to meet your needs
- Chef-prepared meals each day
- Onsite activities and events
- Onsite Physical, Occupational, and Speech therapy
